For your homework last night, you were asked to do the following:

1. Choose an event (from Chapters 8–15) that you want to write about. It should be a time when she responds to or witnesses some type of challenge.

You might have chosen one of these events, or another event in the novel:

- a. Chapter 8 – Marta talking to workers about the strike
- b. Chapter 10 – Mama and Esperanza working in the fields when Mama becomes ill
- c. Chapter 11 – Going to Mr. Yakota’s grocery store; meeting *campesino* family
- d. Chapter 12 – Marta hiding from immigration officers

You completed a graphic organizer about the event you chose.

Now, write Paragraph 2 about the event you chose from Chapters 8–15.
