The Nest

The wind was blowing. Bird was cold.
She turned around in her nest.
Then Bird saw the hole in her nest.
“Can I fix it?” Bird asked herself.
She asked Crow for help. Crow was eating.
She asked Jay for help. Jay just turned away.
“I can do it,” said Bird. “I will show them.”
Bird flew down to the ground.
She found six twigs. She picked up some fur.
Bird took them to her nest. It was time to work.
Bird put the twigs over the hole.
She put the fur over the twigs.
“I have fixed the hole,” said Bird.
“Now I have a warm nest.”

1. What does Bird use to fix her nest?
2. How does Bird feel at the end of the story?
